

Dear member of the St. Mary's Class of 1977,

Has it REALLY been 40 years since we graduated from high school?!

In March, we had a call from the organizers of the BHS-CHS reunion asking if we wanted to join them on a reunion event. Checking with SMCHS, no one from our class was planning anything, so a small group of us who still live in Bismarck-Mandan got together to work on a Father's Day weekend celebration. We apologize for the short notice!

We hope that this letter reaches you because it's the best information that SMCHS had. Please consider attending these events and help us reach out to former classmates by directing them to this website <https://smchs.org/reunions> or the "SMCHS 40th Class Reunion" Facebook page. Hope to see you there! *(The deadline to register is May 15, 2017.)*
